

Thorpe Says No Needs YOU!

Tuesday 16th April 11.30

Do you care about protecting our villages or are you happy for our area to be spoiled by wind turbines?

Will you give half an hour next Tuesday so you don't suffer 25 years of turbines?

EVERYONE COUNTS

Wendy Burden, the Planning Inspector who will decide whether or not we are blighted by wind turbines, is coming to see the area for herself next week on

Tuesday 16th April

If we don't show we care, she'll assume we don't. YOU are important. Please be there.

Our 'show of force' at the Melton Council offices made a huge difference. This is our LAST and ONLY chance to do it again.

Please be at:

PARK FARM on KLONDYKE LANE (between Thorpe Satchville and Great Dalby)

next Tuesday 16th April at 11.30

Bring any POSTERS / PLACARDS

Spread the word and invite all you know. Let us know we can count on you.

Email us with names of those who will be there at
